 **Institutional set-up for liquidity risk management:**

The Board shall have the overall responsibility for management of liquidity risk. The Board shall decide the strategy, policies and procedures to manage liquidity risk in accordance with the liquidity risk tolerance/limits decided by it from time to time. The ALM Committee (ALCO) of the Board of Directors shall be responsible for evaluating the liquidity risk. The ALCO consisting of the company's top management shall be responsible for ensuring adherence to the risk tolerance/limits set by the Board as well as implementing the liquidity risk management strategy of the NBFC. The Whole-time Director heads the Committee. The role of the ALCO with respect to liquidity risk include, inter alia, decision on desired maturity profile and mix of incremental assets and liabilities, sale of assets as a source of funding, the structure, responsibilities and controls for managing liquidity risk, and overseeing the liquidity positions of the Company. The ALM Support Group headed by Chief Financial Officer and consisting of operating staff who will be responsible for analysing, monitoring and reporting the liquidity risk profile to the ALCO.
